

Chairman's Chat

October 2005

The 2005 Summer Series has now come to a close and we have a new name to place on the Winner's Trophy, that being Chris Roberts. Chris who has been a member of the club for less than two years has learnt the skills necessary to take on the Club's best to bring home the Championship honours. Chris is a worthy winner of this trophy and is one of the new breed of members that will hopefully take the Club forward in years to come.

The 2005/2006 12 Car Series has already begun with two events now having taken place, entries are a little slow at the moment but I am sure that this is something that will rectify itself during the winter months.

I would like to take this opportunity to thank the sponsors of the new Club banners, without their contribution the Club would not be benefiting from this excellent source of promotion. Hopefully everyone will have the opportunity to see these banners at some point in the near future. If you are attending a motor sport event and would like to borrow these banners please contact the Chairman to arrange for their collection.

I would like to extend an open invitation to all of you to attend the 2005 AGM and Annual Prize giving on Thursday 3 November 2005 at the Highwayman Inn, Elkstone, please do not feel put off attending because of the AGM as I can assure you, you will not be roped in to any positions within the Club that you do not want. The Prize Giving following the AGM is a celebration of the achievement of you the Club members and the Committee during the last 12 months. Following the AGM and before the Prize Giving there will be a free finger buffet for all members, please do come along to help us eat the buffet!

You will shortly be receiving your Membership Renewal form, please take advantage of the pre-paid envelopes enclosed to return your membership forms and to enjoy the early renewal discounts.

Martin Saunders
Chairman
