

Chairman's Chat

February 2006

I would like to take this opportunity to welcome back our magazine advertisers for another year, without your support we would be unable to produce the quality and quantity of magazines that we currently do. The covers with the updated adverts will appear next month.

I would like to welcome Chris Roberts to the Magazine Editor's Chair, this is a role that I have been doing for some four years now with only a brief interlude when John Pierce took over. I would ask all of you to give Chris every support with articles and fill to make his job a little easier, I will be helping Chris in the short term with the publication and distribution with the aim to hand over completely soon...

Fellow Club Member Roland Jones and I teamed up for this year's Wydean Stages using his MG ZR. Unfortunately a buzzed engine early in stage two, Speech House saw an early bath at the end of stage three for what had been a promising start to the event. The Speech House stage was manned by several members from CCC which turned out to be incident packed with several accidents due to black ice.

The Winter Series returns to Windrush Airfield for round Three after its usual sabbatical from the colder winter months along with the 12 car series which now has only two events left this season. At this point in the series we are guaranteed new winners for the silverware at the end of the season, this is a refreshing sight to see new names coming forward.

The Corinium Run entries are filling up fast, as I write this article they have now passed the 50 mark, if you intend to take part this year please get your entry in soon to be assured of a place

The committee are currently looking into organising a Marshals' Championship so if you have any thoughts on this idea please contact a committee member or come along to the next meeting on Tuesday 7th March 2006 at the Highwayman Inn

Martin Saunders
Chairman
