

Chairman's Chat September 2006

As I sit here writing the Chairman's chat for September there is a tint of autumn in the air as summer draws to a close. The Summer Series has one round to go and should see a good battle for the overall honours that will be fought out at Kemble Airfield.

The navigation training evening is planned, prior to the start of the Winter 12 Car Series which again will boast eight events starting and finishing with Navigational Scatters.

The Committee are working hard behind the scenes to bring interesting and varied club motor sport events for you the members to participate in. We hope that when possible you will do your best to attend and make these events a success.

The planning for the AGM is now in hand and I would like to extend a warm invitation to all of you to attend and enjoy the free buffet and Annual Prize Giving that follow the AGM to be held at the Highwayman Inn on Thursday 2 November starting at 8pm.

The Winter Series of Gymkhana events are being planned although we have still not managed to secure the use of Windrush Airfield, we hope to have suitable venues secured in due course.

I have already started looking at route and venue options for the 2007 Corinium Run that will take place at the end of April, this event is already looking to be better than those held in previous years.

Martin Saunders
Chairman
