

Chairman's Chat

December 2007

It is a great privilege to announce that Cirencester Car Club has been voted as runner up in the MSA National Motor Club of the Year competition for 2007, this is a great achievement for such a small club and to have only been beaten by the might of Aberdeen Motor Club, it also makes us the "Best Motor Club in England for 2007", please read the article later in this magazine.

The club membership currently stands at 88 this is really good news for our club at such an early stage of the clubs year, only six weeks after the AGM, it just proves that our club now has a strong and committed membership.

The clubs committee are working hard behind the scenes to organise good competitive events and bring a Variety of social events for you all to take part in, this demonstrated by the good attendance at our events.

Planning is also underway way for the 2008 Corinium Run, the format will remain the same although with a new half way venue at the new Cotswold Water Park Hotel, South Cerney, regulations will be available by the second week of January.

A new Motor Sport Championship for the club will take place for the new club year, this will help promote our club on other events around the Country, details in this magazine.

This just leaves me to wish you all a very Merry Christmas and a Happy New Year.
