

Chairman's Chat

February 2007

I would like to take the opportunity to welcome the new advertisers to the Club Magazine, they are very welcome to join our existing advertising, who without their ongoing support this magazine would probably not exist. The monies raised from our generous advertisers pays for the magazine production throughout the year.

I have just spent some time this weekend processing the Corinium Run entries and I was amazed to find that in just ten days of the Regulations and Entry Form being circulated we have received 42 entries, this is over the number half that we intend to start. The route planning is well under way and the first road book is planned to be produced on Sunday 11th February, this then will give us a better idea of how the event will run. Having been round the route it is vastly different from the past three years and I am sure will appeal to all.

The Alternatively Boxing Day Run although now well in the past was a huge success for the Club attracting 21 entries for the special test and 18 completing the full event. This is now becoming an excellent social event and one that is firmly fixed in the Club's calendar.

The number of entries on the 12 cars seem to have tailed off this year, although this may be down to the Committee not publicising the events properly, so with this in mind, I urge you all to attend the next event on Friday 2nd February. This event will be organised by Family Butcher and having already checked the navigation which is straight forward I can guarantee you an excellent route, starting and finishing at the Hunters Hall near Tetbury.
