

## Chairman's Chat

May 2007

The Corinium Run is over for yet another year, the planning for the fifth anniversary event in 2008 having already started, myself and Simon Marks (the joint Clerks of Course) for the event will be shortly looking at the management structure and how we run the event to make it stronger and take it into the future. On that note I would like to take this opportunity to thank all those involved with this year's event for their time and dedication to making the event yet another huge success, okay the weather helped us this year. For those that have supported us as participants for the last four years, we are planning something special for you on the fifth anniversary event next year.

The publicity gained from the event this year has been great, with Zog Ziegler and John Rockley taking part in the event, along with the boys from Classic Ford Magazine, having a great time using my rebuilt Escort, yes only finished half an hour before giving them the keys and the smiles on their face at the end of the event proved they had enjoyed their first organised motor sport event.

The Club Committee are planning a Motor Sport Weekend to take place over the weekend of 10-12 August this will incorporate many of the events that the Club run, including a touring assembly on the Sunday. We need your help with this event and would ask you to attend the next Committee Meeting on Tuesday 5<sup>th</sup> June at the Highwayman Inn at 8pm when the formal arrangements will be discussed.
