

## Chairman's Chat

October 2007

The club has just been through one its busiest ever months,

It started with the navigational training evening with nine new crews turning up to learn the skills required to take part in a wide variety of road based motor sport disciplines, a great evening was had by all and my thanks go to all the helpers who turned up and made the evening run so smoothly.

The rally marshal and fire extinguisher training evening followed, again a big thank you to Andy Butcher for an excellent practical demonstration on the use of fire extinguishers, pictures can be found on the web site in the gallery (spectacular springs to mind), this was followed by watching the MSA's Marshals training DVD on completion 18 members signed up to receive their MSA Licence, with 22 obtaining certificates for attendance at the fire extinguisher demonstration.

The 12 car series has begun with an excellent navigational scatter organised by Ben Jefferies and Pete Skinner 9 crews making the start and all enjoying themselves, results can be found later in this magazine.

The final round of the summer series has taken place with a close thought day between James Goodfield and myself, the outcome of the series has also be decided with yet another new winners name to be added to the trophy, well done to Jason Downey.

Its AGM time again, Thursday 1<sup>st</sup> November 2007 7.45pm at the Highwayman Inn, some key posts need filling especially the role of Secretary, this will be followed by our customary free buffet and annual prize giving, lets see everyone there please.

Martin Saunders  
Chairman
