

Chairman's Chat

October 2008

The AGM is almost here again, Tuesday 4th November at the Highwayman Inn 7.45pm, please note that the date has been changed! This is an ideal opportunity for you to attend and have your say on how this club is run, if there are any events we do not run but would like us come along and tell us.

Following the AGM there is now the customary FREE buffet followed by an annual prize giving, this year we have special guest, Club Vice President Paul Lawrence who will be handing out the awards. For those who do not know Paul he has been a CCC member for more years than I care to remember, I first met Paul whilst taking part in the club's 12 car navigational series back in 1981, he was the navigator to beat in those days. Since then Paul has gone on to become a very successful motor sport journalist and author.

A full list of award winners can be found later in the magazine or on the web site, if you have won an award lets see you come along and collect it.

The newsletter Editors position is still vacant and offers of help would be truly appreciated, the magazine is an essential part of the clubs communication with the membership and it helps to make our club as strong as it is.

The summer series is now complete with three drivers tying at the end on points needing a tie breaker to sort them out, congratulations to Keith Vaughan a very worthy winner and a new name on the trophy.
