

Chairman's Chat

September 2008

It's a very exciting time to be Chairman of Cirencester Car Club, after five years in the seat and a relentless amount of time and effort we really do have what can only be described as a real clubman's club.

Firstly the Introduction to Motor Sports Weekend was another huge success story, although the weather did put a dampener on it on the Saturday, everyone involved mucked in and helped out as well as having a great social time in the evenings, this event is here to stay but the format may change slightly for next year.

Our club nights are also getting good regular attendances now, it's great to see so many faces turning up just to have a chat, and if you have not been to one yet you're missing out!

Coming up we have the Navigational Training Evening this Thursday, a chance to brush up on the skills before the start of the 12 car series. The first round is the navigational scatter on Friday 26th September.

Plans are all ready underway for the Winter Series of gymkhana events, this year the Alternative Boxing day run has been added as a round.

Martin "Ted" Saunders
Chairman
