

Chairman's Chat

July 2009

It's nearly time for the:

Introduction To Motor Sports Weekend.

The third running of this event will take place at the Highwayman Inn, Elkstone from Friday 7th August through to Sunday 9th August. We need your support as members of our club to make this event a success as we have the eyes of the Motor Sports Association and Motor Sports Industries Association upon us, as they seek to find the club which encompasses the idea of introducing and promoting motor sports to new audiences in the most innovative way. The club which succeeds in this venture will be awarded a prize of £500 and Cirencester Car Club should stand a good chance as long as we get YOUR support by entering events over the weekend.

We have secured several lines of sponsorship for this years event which has enabled all the proceeds to be ploughed back into the event, James Goodfield has been working extremely hard behind the scenes to ensure that there are many new innovations to this years event which will enhance the reputation of the weekend. There are plenty of activities for you to have a go at, all of which can be tackled in the family car, and don't forget the evening get together's in the Highwayman Inn following the end of play, Saturday evening especially having a fancy dress theme and a motor sport pub quiz

A full advert for the weekend of activities can be found in this magazine and on the clubs website.
