

Chairman's Chat

June 2009

Both James Goodfield and myself are working flat out behind the scenes to produce this years Introduction to motor sports weekend in August, the first organisers meeting was poorly supported at which it was decided to reduce the number of activities that we produced last year and to concentrate on the main events. We believe that this will give us a much better focus and in turn will need a lot less volunteers to ensure the smooth running of the event.

We are also looking for individual event sponsors to take on the individual events, if your interested please let me know, this will help us to keep the costs to a minimum, and the entry fee the same as last year when we had a major sponsor.

The club now has several rally crews taking part in local and national events, this is great to see as they have gained the necessary skills here at our club, the knock on effect of this, is the fact that it is leaving a gulf in the management of the club as time for those competing is starting to get precious. If you fancy becoming involved with the committee and helping out with the management of our club we would welcome anyone who has a little time to spare.

Martin Saunders
Chairman
