

Chairman's Chat

March 2009

I have the sad task this month of announcing the passing away of Club Vice President, long term member and friend to many Mike Webb. Mike will be sadly missed in the motoring community of Cirencester, having run the family garage Ivor Webb and Sons for many years and which can only be described as Aladdin's cave of cars and motoring spares.

Mike's generosity to club motor sport over the years both on two and four wheels has helped many to succeed, our club has benefitted enormously from the sponsorship of the Corinium Run from the first event to the present day, and part of our club's revival is down to Mike.

The club's first Ice Karting outing was a resounding success and a big thank you to Mark "Sin Bin" Holmes for his persistence with the organisation of the evening. For those of you who missed the evening a big thank you as it gave the twelve attendees even more time on the ice. I can remember going ice skating at Bristol more than twenty years ago, the ice rink has not changed in that time and I am sure it has not had a coat of paint in that time, so the thought of tearing up their ice rink with studded tyres was even more appealing. Thanks to Roland Jones for supplying an excellent write up of the evening later in this magazine

Behind the scenes the Corinium Run Committee have everything in hand, the entry list is now almost full and the draft road book has been produced, this year's event should be a real classic with many new roads, yes I have managed to find even more new roads to drive even after 5 previous events.

Martin Saunders
Chairman
