

Chairman's Chat

May 2009

I would like to start this month's Chairman's chat by offering a big thank you to all of you who turned out to help the club run its 6th Corinium Run, this year our event has been judged as the best one yet, this is not bad considering the number of events we have now run but amazingly we are still able to find new roads in the Cotswolds. The weather was certainly a contributing factor, as this year it was completely dry and amazingly clear allowing the wonderful views to be seen instead of hidden as in the past. This event is a great example of team effort by the Corinium Run organising team, all of who give their time and expertise freely to our club.

The summer series is now in full swing and just needs YOUR support to be a success, adverts for future events appear in this magazine, the second round takes place this Sunday 24th May at Kemble Airfield.

James Goodfield is working hard on the Introduction To Motor Sport Weekend and a planning meeting open to all members will take place this Wednesday 20th May 2009 at the Highwayman Inn 7.30pm, we need your help and ideas to make this event a success so if you can make this meeting we would appreciate your time.
