

# Chairman's Chat

## June 2010

I have the sad task this month of announcing the passing of Club Vice President, founder member and friend to many Jim Loveday

Jim will be sadly missed by our club, and I for one will miss Jim's regular words of wisdom and encouragement as Chairman. Jim was saddened to see our club nearly close in the early Nineties but has since attended club events when ever possible, enthusiastic about the clubs re emergence.

I have fond memories of Jim's driving skills, he was always stunningly quick in his midget on autotests without any drama, and his trails skills need no introduction. Jim would often meet up with club members out on the Cotswold Clouds Trial every February and would be seen at the Nailsworth Ladder.

Paul Lawrence has written some words about Jim later in this magazine.

The Corinium Stages Rally is only a week away, if you have not volunteered your services please contact our Chief Marshal Paul Leyfield who will find you a job. More details of the stage rally and contact numbers can be found later in this magazine.

Martin Saunders
