

# CHAIRMAN'S REPORT 2011

Firstly I would like to congratulate the club on adapting very well in the financial climate prevailing this year, the committee have worked hard behind the scenes to react to the changing demand for our events.

I would like to thank Ben Jefferis for running the 12 Car Series, which had varied support this year. For the 2011/2012 next season, see's the club sharing some events with Bath & Tavern Motor Clubs.

I would also like to thank Mark Davis for organising the Winter and Summer Series. As the Winter Series had been poorly supported the committee decided not to run this during the coming winter. The Summer Series however had enjoyed good support.

Dave Green and Nicola Griffiths have jointly run the social events this year and thanks go to them for some very enjoyable evenings, though next year too has been adapted to cut out those which were not well attended, and keep and expand others whilst reintroducing a factory visit.

As in previous years the Corinium Run has again made a surplus. For the first time it was based at the Five Mile House where everyone was very well looked after. Again thanks to those who organised the event for this good team effort especially those that are not even club members but put a lot of time into producing a high quality event.

The Corinium Stages had a new organising team this year. Last year's event did not realize the surplus expected. The event this year has recovered the debit and covered the original investment. It is hoped to run a similar event in 2012, venue permitting. It was good to see so many old & new faces coming out to support the club and to run to run an event to such a high standard.

The club will be holding celebrations for its 60<sup>th</sup> anniversary in 2012 and plans are already underway. There will be a touring assembly starting at the Agricultural College followed by a luncheon in May and a two day tour in Wales in June. The first route check has been completed.

Finally I would like to thank everyone on the committee for their support, especially the Treasurer and to Chris Vout for stepping into the secretary post at short notice.
