

Chairman's Chat

October 2011

Our club is coming to the end of another busy year and one which has seen the club respond to the challenging economic climate which effects, all of our pockets by adapting events and championships to suit.

The club has been hugely successful this year with full entries on both the Corinium Run & the Corinium Stages, both events were run to extremely high standards especially the Stages which saw almost an entirely new organising team take on the challenge of turning around the previous year's deficit.

2012 will be my last year as your Chairman in the current stint, ten years is a long time to steer a club, too long in fact and new fresh ideas on the management of the club need to have a chance especially in these demanding times.

2012 will be no means a winding down year for me as I will be involved in four major events for the club in it's 60th anniversary year. Next year is already looking packed and should be exciting for all of you who attend the events.

There are plenty of events for you all to come and take part in, and please add the AGM to your diary, Thursday 3rd November at the White Hart Hotel, Cricklade 8pm Prompt. The Annual awards will follow as well as our customary buffet.

Martin Saunders
Chairman
Cirencester Car Club
